April 26, 1971

Mrs. Albert D. Lasker
870 United Nations Plaza
New York, New York 10017

Dear Mary:

Thanks for your note and the clipping from the WALL STREET JOURNAL. I shall enter this into the Congressional Record. It's an excellent piece on the need for additional research in cancer and the need for a much more intensive program.

I feel encouraged about our project. I am confident that we will come out with something much better than we presently have and with a much larger appropriation.

Sincerely,

A handwritten signature in black ink, appearing to read "Hubert H.", written in a cursive style.

Hubert H. Humphrey
